Plainfield Charter Township
 Special Meeting
 September 22, 2011

The special meeting of the Plainfield Charter Township Board was called to order at 7:03 p.m. at the Rockford High School auditorium located at 4100 Kroes Street, Rockford, MI 49341 by Supervisor Meek. Members present: Supervisor Meek, Clerk Harvey, Trustees Hagedorn, Matthews, and Weldon. Members absent: Stover and Bottema. Also present were Assistant to the Township Manager Priscilla Walden and Assistant Staff Planner Peter Elam.

Priscilla Walden and Peter Elam presented the proposed 2011 Streetlighting Special Assessment District (SAD) consolidation plan. This plan will consolidate nearly 200 existing SAD's into 13 new districts. The intent in creating the 13 new districts is to better assess and manage these Public Improvements.

Supervisor Meek opened the public hearing for citizens' comments regarding Streetlighting Special Assessment Districts No. 1-5 and 13. Juanita Raterink wanted to know why her neighborhood at Park Forest and Samerick has a light and no other developments along Samerick have lights. She was informed that our ordinance requires a light in a site condominium. Terri Thomas asked why the special assessments on Woodwater were so high and was told it was the density of the number of lights the developer placed when the subdivision was built. The owner of 4300, 4318 and 4336 Plainfield wanted to know how much of an increase he was going to experience and was told his assessments were being reduced.

There were no further comments from those present.

Supervisor Meek adjourned the meeting at 7:40 p.m.
